Education, Licenses, &

- 2014 Licensed Psychologist (NJ)
- 2010 Licensed Psychologist (PA)
- 2010 *Board Certified Behavior Analyst (BCBA-D)*
- 2008 *Graduate School of Applied and Professional Psychology (GSAPP)*
Rutgers University, The State University of New Jersey
Doctor of Psychology (Psy.D.), Clinical Psychology
- 2002 *New York University*
Bachelor of Arts (BA) in Psychology, Cum Laude
Biology Minor, CAS Honors Program

Clinical & Managerial Experience

March 2013 – present **Senior Psychologist, Director of Psychology Externship Training**
The Center for Emotional Health
Cherry Hill, New Jersey

- Clinical work providing CBT treatment to adults and children in a private practice setting utilizing evidence-based treatments for anxiety, OCD, tics & Trichotillomania.
- Creation/coordination of psychology practicum placement for graduate students and supervision of externs.

May 2010 – November 2014 **Clinical Director**
Child/Adolescent OCD, Tic, Trich, & Anxiety Group (COTTAGE)
University of Pennsylvania, Department of Psychiatry
Philadelphia, Pennsylvania

- Directed an outpatient clinic in a university-based research center for adults & children, managing budgets and finances, hiring personnel, assigning cases, and handling day-to-day issues with clients and personnel.
- Selected, supervised and trained practicum students, psychological interns, postdoctoral/psychiatry fellows and research assistants, as well as organized these training programs in the Center.

- Marketed and advertised COTTAGE's clinical services and training/consultation program through community presentations and engaging professional organizations.
- Provided outpatient therapeutic services to adults and children utilizing cognitive-behavioral, evidence-based treatments mainly for OCD, TS, Trichotillomania and other anxiety disorders.
- Supervised and implemented treatment on NIMH-funded R01 research project for Trichotillomania.
- Participated as a therapist and independent evaluator in the multi-site Pediatric OCD Treatment Studies, the adolescent PTSD study, and OCD treatment studies with adults.

September 2008 – May 2010 Postdoctoral Fellow

*Center for Treatment and Study of Anxiety
University of Pennsylvania, Department of Psychiatry
Philadelphia, Pennsylvania
Supervisor: Martin Franklin, Ph.D.*

- Performed intake assessments and implemented outpatient therapy services to adults and children utilizing cognitive-behavioral, evidence-based treatments for OCD, TS, Trichotillomania, and other anxiety disorders.
- Coordinated an NIMH-funded R01 research project for Behavioral Therapy for Trichotillomania, acting as main therapist for the treatment.

September 2007 – August 2008 Psychology Intern

*Jersey Shore University Medical Center, Neptune, New Jersey
APA-Accredited Pre-doctoral Internship Program
Director of Training: Angelica Diaz-Martinez, Psy.D.*

- Provided outpatient therapeutic services for adult and child clients; Completed intake and psychological assessments; Facilitated therapeutic groups for mood disorders & chronic pain.
- Engaged in hospital-based rotations: Consultation-liaison services; Neuropsychological evaluations and behavioral medicine treatment on rehabilitation unit, and Post-partum depression services.

Summer 2006 – Summer 2007 Assessment Specialist

*Environmental and Occupational Health Sciences Institute
Clinical Research and Occupational Medicine, UMDNJ-RWJF
Piscataway, New Jersey
Supervisor: Nancy Fiedler, Ph.D.*

- Completed neuropsychological evaluations with adults and children using structured/semi-structured cognitive, neuropsychological, diagnostic, personality, motor, & achievement assessments.
- Clients often included individuals with chronic medical illness, individuals exposed to environmental or medical toxins and individuals associated with the New Jersey State Troopers Program.

Summer 2006 – Summer 2007 Clinical Therapist

Tourette Syndrome Clinic, Rutgers The State University of New Jersey
Piscataway, New Jersey
Supervisor: Lori Rockmore, Psy.D.

- Implemented treatment with clients with Tourette Syndrome and anxiety disorders including Habit Reversal Training and CBT for anxiety, acceptance of tics, and parent behavior management.
- Created a manual for and facilitated a sibling support group.

Summer 2005 – Summer 2007 Child and Adolescent Therapist

Youth Anxiety and Depression Clinic, Rutgers, The State University of New Jersey
Piscataway, New Jersey
Supervisor: Brian Chu, Ph.D.

- Completed specialized training in diagnostic assessments (ADIS) and achieved reliability against gold standard ratings.
- Trained in and implemented adolescent and child versions of manual-based cognitive-behavioral treatments for anxiety disorders (Coping Cat) and depression (PASCET).

Spring 2004 – Spring 2007 Support Group Facilitator

Douglass Developmental Disabilities Center
New Brunswick, New Jersey
Supervisor: Mary Jane Weiss, Ph.D.

- Executed a needs assessment with families and facilitated two sibling support groups and two parent support groups to help the families of children with autism at the DDDC.

Fall 2003 – Summer 2007 Therapist/Diagnostic and Disability Evaluator

The Psychological Services Clinic, Rutgers University
Piscataway, New Jersey
Supervisor: Don Morgan, Psy.D.

- Evaluated disability status and diagnoses through semi-structured interviews and cognitive and neuropsychological assessments
- Provided therapy utilizing brief and long-term treatment with cognitive-behavioral, family systems and psychodynamic frameworks for adults, youth, couples and families.

Fall 2005 – Spring 2006

Psychological Extern on Thoracic Transplant Unit
The Children's Hospital of Philadelphia (CHOP)
Philadelphia, Pennsylvania
Supervisor: Debra Lefkowitz, Psy.D.

- Conducted individual outpatient therapy with adolescents targeting medical anxiety/phobia and depression due to chronic illness.
- Engaged in consultation-liaison services on a multi-disciplinary team.
- Performed psychological pre-transplant evaluations to identify the needs of children/families in the transplant process, such as behavior management for disruptive behaviors or medication adherence.

June 2003-June 2005

Behavior Specialist

Douglass Developmental Disabilities Center

New Brunswick, New Jersey

Supervisor: Robert LaRue, Ph.D.

- Provided consultation services for educational and behavior management procedures, direct intervention and staff training to four classrooms with children and adults with autism; created and implemented individual and classroom behavior interventions.
- Completed coursework in Applied Behavior Analysis and later obtained certification as a BCBA.

January 2003 – June 2003

Job Coach

Contemporary Guidance Services

New York, New York

- Offered vocational counseling for adults diagnosed with low intellectual functioning, assessed work efficiency and effectiveness, created interventions to increase productivity and performance quality.
- Advocated for workers on the jobsite with coworkers and employers or potential employers.

Research and Teaching Experience

Sept. 2008 – November 2014 **Psychologist & Training Director**

Center for Treatment and Study of Anxiety/COTTAGE
University of Pennsylvania, Department of Psychiatry
Philadelphia, Pennsylvania

- Work on four NIMH-sponsored grants for children and adolescents with OCD, children with trichotillomania, teens with PTSD, as well as adults with OCD; Supervised student and postdoctoral trainees within these studies, as well as coordinated the Trichotillomania study.
- Coordinating the hiring of volunteers and trainees, managed their training, supervision needs, and provided ongoing feedback about areas of professional development.
- Organizing and presenting at clinical workshops for trainees and community professionals on CBT treatments for OCD, anxiety, TS, and trichotillomania.
- Providing consultation to community organizations and other professionals in need of clinical consultation; Standardizing the training program and networking to offer such services more widely.

Summer 2005 – Spring 2007 **Youth Anxiety and Depression Research Associate**

Youth Anxiety and Depression Clinic
Piscataway, NJ

- Completed dissertation assessing parenting interactions utilizing a functional assessment strategy to assess the impact of parent behaviors on anxiety within a multiple baseline design.
- Conducted evidence-based treatments according to study protocol, as well as provided treatment progress scores to identify mediators of change.

Summer 2006 – Summer 2007 **Diagnostic Research Assistant**

Environmental and Occupational Health Sciences Institute
Clinical Research and Occupational Health, UMDNJ-RWJF
Piscataway, New Jersey

- Trained in and conducted structured diagnostic interviews investigating the prevalence of psychiatric disorders in the World Trade Center Recovery and Relief Project workers.
- Provided counseling and crisis management for patients as needed in collaboration with Mt Sinai School of Medicine, funded by the National Institute for Occupational Safety and Health.

Fall 2003-Spring 2005

Teaching Assistant and Research Investigator

Douglass Developmental Disabilities Center
New Brunswick, New Jersey

- Taught undergraduate fieldwork course in Applied Behavior Analysis and Autism.
- Participated in studies assessing the use of ABA in teaching and conducting functional analyses in classroom and therapeutic settings.
- Participated in case-based research investigating the effectiveness of behavioral interventions as well the effectiveness of sibling support groups.

(November 2004). *Classroom based functional analysis: A model for assessing challenging behaviors within the classroom environment.* Presented at the 38th Annual Convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Honors and Awards

- 2008 **The Polaris Award.**
Jersey Shore University Medical Center
- Recognizing spontaneous acts of service excellence outside of the responsibilities of the recipient's job
- 2007 **The Dean's Award**
The Graduate School of Applied and Professional Psychology
- Honoring students who have contributed most to the student community
- 2004 **Scholarship for the Advancement of Autism**
The Matthew Ruchlin Foundation
- Dedicated to aspiring professionals who are promising in the field of Autism
- 2003, 2004 **Academic Commendations**
GSAPP, Rutgers University, the State University of New Jersey
- Acknowledging students who have achieved academic excellence
- 2001, 2002 **Dean's Honors List**
College of Arts and Sciences, New York University
- Valuing students with sustained academic excellence
- 2000 **Charlotte Newcombe Scholarship**
Center for Students with Disabilities, New York University
- 1999-2002 **NYU Presidential Scholarship**
College of Arts and Sciences, New York University
