Muhlenberg College B.A. in Psychology, Minor in Music Summa Cum Laude with Honors in Psychology	Aug 2009-May 2013
University of Edinburgh International Study, Edinburgh, UK, Spring Semester	Jan 2012-May 2012

LICENSES AND CERTIFICATIONS

Licensed Psychologist Pennsylvania Licensed Psychologist: PS020185
Authority to Practice Interjurisdictional Telepsychology APIT PSYPACT: 19779
Montreal Cognitive Assessment (MoCA) MoCA Certification: USFINKA710706974-01

CLINICAL EXPERIENCE & TRAINING

Staff Psychologist The Center for Emotional Health of Greater Philadelphia, Cherry Hill, NJ <ul style="list-style-type: none">Provide treatment to adults and young adults in a private practice setting utilizing evidence-based treatments for anxiety disorders, mood-related disorders, trauma-processing/PTSD, OCD and anxiety-related disorders, and adjustment-related concerns.	Nov 2024-Present
Staff Psychologist Wilmington VA Medical Center, Wilmington, DE Behavioral Health Integration Program (BHIP), Outpatient	Sep 2023-Oct 2024

Supervisor: Claire Wu, Psy.D.

- Provided individual psychotherapy to Veterans across service eras. Conditions treated included mood-related disorders, anxiety disorders, PTSD and other trauma-related disorders (combat-related, Military Sexual Trauma), substance use disorders, personality disorders, psychosis, grief, adjustment, and life transitions. Evidence-Based Practices utilized included ACT, CPT, CBT, MI, and Unified Protocol (UP).
- Facilitated Skills Training for Affective and Interpersonal Regulation (STAIR) psychotherapy group for Veterans who have experienced Military Sexual Trauma.
- Collaborated with interdisciplinary treatment team to provide a wide range of outpatient services, including diagnostic evaluations, treatment planning, and group psychotherapy.

Predoctoral Psychology Intern (APA-Accredited)

VA Pittsburgh Healthcare System, Pittsburgh, PA

Director of Clinical Training: Bernadette Pasquale, Ph.D., ABPP

Aug 2022-Jul 2023

- *Process-Based Therapy*
 - Provided individual outpatient therapy in BHIP using Acceptance and Commitment Therapy (ACT) and Unified Protocol (UP) to Veterans with concerns of varying severity and chronicity, including anxiety, depression, adjustment and trauma-related issues, substance abuse, and personality-related difficulties.
 - Implemented assessments, engaged in collaborative treatment planning and differential diagnosis, and utilized appropriate consultation and referral with interdisciplinary VA team.
 - Co-facilitated ACT for Depression psychotherapy group.
- *Treatment of Psychotic Disorders (Sigma Team)*
 - Provided individual outpatient therapy using CBT for Psychosis (CBTp) and Recovery-Oriented Cognitive Therapy (CT-R) to Veterans experiencing acute psychotic symptoms related to schizophrenia and other psychotic disorders.
 - Implemented assessments, engaged in collaborative treatment planning, differential diagnosis, and utilized appropriate consultation and referral with interdisciplinary VA team.
 - Co-facilitated CT-R psychotherapy group.
- *Trauma Recovery Clinic (TRC)*
 - Provided individual outpatient trauma-processing using PE and CPT to treat Veterans with combat-related distress and PTSD across combat eras. Provided combat Veterans with treatment for symptoms secondary to combat exposure, such as anxiety and depression.
 - Collaborated with interdisciplinary treatment team to provide a wide range of outpatient services, including initial diagnostic evaluations, treatment planning, and group psychotherapy.
 - Co-facilitated Anger Management skills-focused group.
- *Center for Treatment of Addictive Disorders (CTAD)*
 - Provided individual outpatient therapy using CBT-SUD and MI to Veterans experiencing substance abuse.
 - Implemented assessments, engaged in collaborative treatment planning (e.g., stabilization, early recovery, maintenance, relapse prevention, moderation, harm reduction) and differential diagnosis, and utilized appropriate consultation with interdisciplinary VA team.
 - Facilitated Boundaries/Communication group for residential treatment program.

- *Sub-Committees and Clinical Teams*
 - ACT Consultation, Interdisciplinary Transgender Treatment Team (ITTT), Diversity Sub-Committee

Psychology Extern

Sep 2021-May 2022

Wilmington VA Medical Center, Behavioral Health Service, Wilmington, DE

Supervisors: Kristin Salber-Black, Ph.D.; Claire Wu, Psy.D.

- Provided individual and group psychotherapy for U.S. Veterans across service eras using evidence-based practices (CBT, CPT, STAIR) and measurement-based care with a focus on PTSD, combat and deployment-related stressors, post-deployment adjustment, and Military Sexual Trauma (MST).
- Co-facilitated STAIR groups for Veterans who have experienced MST.
- Facilitated MST Clinic to provide psychoeducation to Veterans about MST and complex trauma.

Neuropsychology Extern

Aug 2020-Jul 2021

Kessler Institute for Rehabilitation, Neuropsychology, West Orange, NJ

Supervisor: Kelly Kearns, Psy.D.

- Administered neuropsychological assessments to adult and geriatric populations presenting with various neurological conditions: stroke, epilepsy, TBI, brain tumors, movement disorders, encephalopathy, spinal cord injuries, COVID complications, neuropsychiatric disorders, and neurodegenerative disorders.
- Provided short-term bedside psychotherapy for patients in the inpatient brain injury unit and individual psychotherapy for patients in outpatient rehabilitation programs (CBT, ACT, MI).
- Provided MI interventions for patients with co-occurring substance use disorders.
- Collaborated with a multidisciplinary team to plan effective treatment strategies to maximize patient participation in occupational, speech, and physical therapies.
- Co-facilitated Brain Injury Caregiver Support Group via telehealth.

Psychology Extern

Aug 2019-May 2020

McClintock Center for Psychological Services, Drew University, Madison, NJ

Supervisor: James Mandala, Ph.D.

- Provided integrative, outpatient therapy for Drew University students using evidence-based treatments and interventions.
- Co-facilitated group therapy focused on interpersonal communication and emotional processing.
- Collaborated on outreach workshops to promote campus mental health.

Integrative Behavioral Health Extern

Oct 2018-May 2019

Hackensack University Medical Center, Hackensack, NJ

Supervisor: Brian Amorello, Ph.D.

- Provided patients with counseling for stress and anxiety management and other behavioral health concerns using solutions-focused and mindfulness-based psychological interventions and psychoeducation.
- Observed patient appointments with medical providers (Pediatric Rheumatology, Migraine Clinic, Multiple Sclerosis Clinic, Geriatrics) and offered counseling interventions where applicable.
- Provided short-term psychotherapy for patients with chronic health conditions.

Rape Crisis Counselor/Medical Advocate

Feb 2015-Sep 2016

Boston Area Rape Crisis Center (BARCC), Boston, MA

Medical Advocacy Coordinator: Sandra Leahy

- Provided crisis counseling and patient advocacy services in Boston-area Emergency Departments for patients presenting for medical care after experiencing sexual violence.
- Ensured survivors understood treatment options and rights regarding forensic evidence collection procedures and medical procedures.
- Facilitated safety planning for survivors with hospital and social work staff.
- Arranged referrals for BARCC's counseling, legal, and case management services.

EMPIRICALLY SUPPORTED TREATMENTS UTILIZED

Acceptance and Commitment Therapy (ACT)
Behavioral Activation (BA)
Emotion-Focused Therapy (EFT)
Cognitive Behavioral Therapy (CBT)
Cognitive Behavioral Therapy for Psychosis (CBTp)
Cognitive Behavioral Therapy for Substance Use Disorders (CBT-SUD)
Cognitive Processing Therapy (CPT)
Motivational Interviewing (MI)
Prolonged Exposure (PE)
Skills Training in Affective and Interpersonal Regulation (STAIR)
Safety Planning, Lethal Means Safety Counseling, & Risk Assessment
Unified Protocol for Transdiagnostic Treatment of Emotional Disorders (UP)

RESEARCH FELLOWSHIP

Cognitive Research Fellow

Aug 2014-Jun 2018

Oak Ridge Institute of Science and Education (ORISE) Fellowship
U.S. Army Research Institute of Environmental Medicine (USARIEM),
Natick Soldier Systems Center, Natick, MA

Supervisor: Kristin J. Heaton, Ph.D.

- Assisted supervisor and institute PIs with protocol development, development of study-related materials, completion of regulatory documents, data collection, assessment administration, database management, project management, training of research staff, and supervision of a seasonal intern.
- Research efforts centered around investigating the impact of military occupational exposure (e.g., mTBI, PTSD, cognitive fatigue, Permethrin exposure, sleep deprivation) on cognitive health of U.S. Army and U.S. Army National Guard service members at USARIEM (laboratory-controlled conditions) and in the field.
- Served as Project Coordinator and primary assessment administrator for two multi-site research collaborations and data collections with MIT Lincoln Labs and Harvard Medical School.
- Served as an institute-credentialed phlebotomist for nutritional research.

RESEARCH EXPERIENCE

Department of Profession Psychology and Family Therapy

Aug 2018-Aug 2020

Seton Hall University

Graduate Research Assistant

- PI: Corinne Datchi, Ph.D., ABPP
- Research: Participant experiences in New Jersey drug court system

Aug 2014-Jun 2018

U.S. Army Research Institute of Environmental Medicine (USARIEM)

Oak Ridge Institute for Science and Education (ORISE), Natick Soldier Systems Center
Cognitive Research Fellow

- *Project Coordinator & Administrator*
 - PI: Kristin J. Heaton, Ph.D. (USARIEM) & MIT Lincoln Laboratory
 - Research: Multimodal assessment of cognitive readiness and recovery: Initial modeling of physiological and neurological inputs
 - PI: Kristin J. Heaton, Ph.D. (USARIEM) & Harvard Medical School
 - Research: Identifying biomarkers that distinguish posttraumatic stress disorder and mild traumatic brain injury using advanced magnetic resonance spectroscopy

- *Research Assistant/Associate*
 - PI: Kristin J. Heaton, Ph.D. (USARIEM)
 - Research: Automated Neuropsychological Assessment Metrics Version 4 (ANAM4): Examination of select psychometric properties and administration procedures
 - PI: Robert Kenefick, Ph.D. (USARIEM)
 - Research: Quantifying the effects of a red flag heat category at 3,000 meters on measurements of cognitive and physical performance
 - PI: Roy M. Salgado, Ph.D. (USARIEM)
 - Research: Utilizing heat acclimation to optimize warfighter health and performance when rapidly exposed to altitude
 - PI: Marilyn Sharp, M.S. (USARIEM)
 - Research: Development of military occupation-specific physical employment standards: Study 3
 - PI: Susan Proctor, D.Sc. (USARIEM)
 - Research: Permethrin exposure dosimetry: Biomarkers and modifiable factors
 - PI: Tracey Smith, Ph.D., RD (USARIEM)
 - Research: Nutrition intervention to promote immune recovery from sleep restriction

- *Phlebotomist*
 - PI: Erin Gaffney-Stomberg, Ph.D., R.D. (USARIEM)
 - Research: Efficacy of a once daily calcium and Vitamin D fortified food product to improve bone microarchitecture in response to army basic combat training

Department of Psychology

Brandeis University

Graduate Research Assistant

- PI: Raymond Knight, Ph.D., Psychopathy and Sexual Aggression Lab
- Research: Psychopathy, development of sexual aggression, and predictors of desistance vs. recidivism of sexual offending

Aug 2013-Aug 2014

Department of Psychology

Muhlenberg College

Research Assistant

- PI: Katherine Richmond, Ph.D.
- Research: Gender identity; institutionalized discrimination of transgender individuals

Jan 2010-May 2013

Finkelstein, K. R. (2013, April). Keynote speech delivered at the biannual Psychology Day at Muhlenberg College, Allentown, PA.

EDITORIAL ACTIVITIES

Journal of American College Health, Scholarly Review 2019

TEACHING & SUPERVISORY EXPERIENCE

Supervisor Sep 2021-May 2022
Seton Hall University, South Orange, NJ

- Provided weekly, supplementary supervision to master's student during their externship training as part of Supervision Practicum course.

Writing Assistant Aug 2010-May 2013
Muhlenberg College Writing Center, Allentown, PA

- Assisted professor in teaching academic writing to a first-year seminar and tutored students one-on-one to enhance writing development.
- Tutored students in Writing Center with focus on developing thesis statements, identifying basic writing errors, and structuring academic papers.
- Mentored one student on a weekly basis to support writing development.
- Level 3 Master Tutor (Writing) Certification from the College Reading and Learning Association: International Tutor Training Program (CRLA-ITTPC).

OTHER PROFESSIONAL EXPERIENCE

CAEP Accreditation Graduate Assistant Aug 2018-Jul 2021
College of Education and Human Services, Seton Hall University

- Managed materials, surveys, and data associated with the College of Education and Human Services (CEHS) Council for the Accreditation of Educator Preparation (CAEP) credentialing.
- Designed surveys on Qualtrics and generated data reports and visuals.
- Managed and updated rubrics and evaluative course materials for CEHS programs.
